

CARING TEAMS ARE HERE TO HELP YOU!

WHAT ARE CARING TEAMS?

You are more than just an employee at Five Guys, you are a whole person with life outside of the restaurant. We know that. We have Caring Teams in place to help pick you up when life throws you a curveball and when you have something to celebrate. Your Care Team is here for you, no question is off limits.

HOW THE CARING TEAMS HAVE HELPED:

- Lending an extra hand when an employee needed help moving
- Making meals for an employee and their family when the employee was out of work taking care of their sick relative
- Helping cover the cost of car parts when an employee needed some extra support
- Sending flowers to relatives in the hospital

HOW TO REACH THE CARING TEAM:

1. Talk to your store's Caring Team member: _____
2. Email Care@lifesfood.net with your name, store, and your request. Requests will confidentially go through the Human Resource Manager to your Caring Team.
